Presidents Report – AGM 2025/2026

The 2025/2026 season saw 133 registered players across 11 teams, ranging from U6 to Open. Our development programs, *Come Try Ringette* and *Intro to Ringette*, successfully introduced new players to the sport. We are hopeful to see many of these new faces return to the ice this fall. Once again, we made use of surrounding rinks to secure additional ice time when needed, and we are fortunate to have that flexibility.

This season, we welcomed two new officials who have performed very well. We have received many positive comments regarding their officiating, and their contributions have been a great asset to our association.

The Montague tournament was a success, with the return of many out-of-province teams. We look forward to building on this momentum and would love to see new volunteers join us next season as we continue to grow the tournament.

None of this would be possible without the dedication of our volunteers — including parents and family members, coaches, managers, officials, our incredible board members, and Ringette PEI.

Despite some challenges, there were many positive outcomes this season, and we are looking forward to building on this success in the year ahead.

Respectfully submitted,

Lisa Woodgate

President

Montague Ringette Association
